

OVER \$1,250 IN SCHOLARSHIPS GUARANTEED!!!

S³ RULES

1. A Division is for those with an average over 135. B Division is for those with an average of 134 and below. Both are handicap. Handicap used for the handicap divisions will be 90% of 200.
2. The highest USBC average from the 2022-23 season will be used. If the bowler has no book average the average will be the highest average as of September 23, 2023 (this must be verified by an attached standing sheet). Without verifiable USBC average, the bowler will be considered scratch.
3. Bowlers have the option to move up to the next highest division. Their handicap will then be based on the lowest average for that division (i.e. 135 for A Division).
4. Bowlers **MUST** be checked in at least 1/2 hour before time to bowl. Bowlers not observing this rule may have their entry declared forfeit at the discretion of the tournament director. Those requiring average verifications are asked to arrive at least 45 minutes early to allow time to verify.
5. If, at the beginning of the tournament, there are entrants fewer than the listed number of placement prizes, the tournament director reserves the right to alter the format of the tournament. Awards listed for places that are not filled by headcount will be evenly distributed amongst the remaining awards for THAT DIVISION. Changes will be announced to those in that division prior to the beginning of the tournament. Bowlers at that time will be allowed to withdraw with a full refund if they find the changes unacceptable.

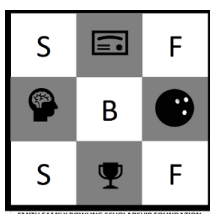

FORMAT:

Bowlers will bowl 3 games, remaining on the same pair of lanes throughout.

Oil pattern will be a standard Desert Lanes league pattern.

Winners will be determined by total pinfall of 3 games plus applicable handicap.

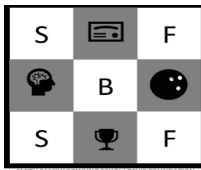

TOURNAMENT RESULTS WILL BE ANNOUNCED ON THE SMITH FAMILY BOWLING SCHOLARSHIP FOUNDATION FACEBOOK PAGE BY THE FOLLOWING MORNING
