S³ RULES

1. A Division is for those with an average over 175 and is SCRATCH. B Division is for those with an average between 150-174. C Division is for those with an average of 149 and below. Both B and C are HANDICAP. Handicap used for the handicap divisions will be 90% of 200.
2. The highest USBC average from the 2022-23 season will be used. If the bowler has no book average and does not have 21 games in the current season, the bowler's average will be computed in which of the following is applicable: For USBC sanctioned bowlers, the average will be the highest current league or high school average (this must be verified by an attached standing sheet). Without verifiable high school or USBC average, the bowler will be considered scratch.
5. This tournament is open to all Youth bowlers.
6. Bowlers have the option to move up to the next highest level of Division. Their handicap (if moving from C to B) will be based on the lowest average for that division (i.e. 150 for B Division). Moving into the A Division will make the bowler SCRATCH.
7. Bowlers **MUST** be checked in at least 1/2 hour before time to bowl. Bowlers not observing this rule may have their entry declared forfeit at the discretion of the tournament director. Those requiring average verifications are asked to arrive at least 45 minutes early to allow time to verify.
8. If at the beginning of the tournament, there are entrants fewer than the listed number of placement prizes, the tournament director reserves the right to alter the format of the tournament. Awards listed for places that are not filled by headcount will be evenly distributed amongst the remaining awards for THAT DIVISION. Changes will be announced to those in that division prior to the beginning of the tournament. Bowlers at that time will be allowed to withdraw with a full refund if they find the changes unacceptable.

FORMAT:

Round 1: Bowlers in all three divisions will bowl a 3-game qualifying round. At completion of Round 1, the tournament for Divisions B and C will be complete. For Division A, the top 8 bowlers in A division (determined and ranked based on their total pinfall) will move to the next round.*

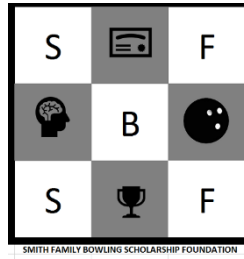

Round 2-MATCHPLAY: Bowlers ranked 1-4 will draw for lane assignments (#1 seed first, then #2 seed, etc). #1 seed will bowl #8 seed. #2 seed will bowl #7 seed. #3 seed will bowl #6 seed. #4 will bowl #5 seed. They will bowl in a 2 game match-play, with the winner being determined by total pinfall of the two games. The 4 winners will move on to Round 3.*

Round 3-STEPLADDER: Seeds are ranked by pinfall of Round 2. They will bowl 1 game stepladder matches. Bowlers in the match will have two (2) practice balls per lane. 4th seed vs. 3rd seed, the winner vs. the 2nd seed, the winner vs. the 1st seed*. Between matches, the seed coming into the match will have a warm up lane available and will have the option of two (2) practice shots per lane on the match-play pair prior to the match.

*In case of a tie at the conclusion of any Round or Match, 9th and 10th frame roll-offs will be thrown until the tie is broken.
